

**NAVHDA  
Southern Tier Chapter of New York  
June 2009 Newsletter:**

The Spring test was another prime example of the Southern Tier Chapter's comradely and willingness to volunteer. Several of our NEW members were a huge contribution to the test. I want to personally thank everyone involved. We had great weather, great judging and some awesome Natural Ability entries.

Here are the results:

**Thank You** - In addition, commemorating the founders of our chapter, Larry Lawton, Tom Snyder and Dick Mider, a token of our appreciation was presented to them during lunch at the Sprint Test.

Thanks guys! If it wasn't for you, none of us would have the caliber of dogs that we have today.

**For your Calendar:**

**June Training Day** will be this Sunday, June 21st (Father's Day). I do not have any birds lined up for chapter use so please plan on bringing your own. If you have a source for quail, chucker or ducks, please let the rest of us know and maybe we can combine orders.

**Family Day / Training Day at the Snyder's** will be Sunday July 12<sup>th</sup>. Once again Tom and Sheila are graciously going to host our chapter. For those who have never trained there, it is well worth going. The Snyder's have some nice fields and two ponds well suited for doing beginner to intermediate water work. Bring the family, the dogs and a dish to pass. More details will be provided as the date approaches.
