## 6-21-15 Training Day Highlights

Hi Everyone!

June's training day brought out some new friends and we welcomed back an old friend who was out for surgery (Tom B.)!

Larry continued working with some folks on the force fetch and Pam introduced some babies to birds. A group went to the pond to work on duck search thanks to Larry, Pam & Rob for the help!

The Bill and Styles seminar is still on for July 11th at Gradyn's family cabin. The cost is \$20.00 (for members) and to be paid in cash at the seminar. Please email Dan Kremers (dkremers@gmail.com) if you plan to attend.

The NAVHDA family picnic tentative date is August 8th – more information to follow when it is confirmed!

The Fall Chapter Test Day is September 19th & 20th - three months away – keep working!!!

Please submit your 2015 dues if you haven't done so already – The club needs to update the membership list!

Have a Great Month and until the next Training Day....

Diane Krause

Note from Jen: Thank you Diane for providing the info above. Also, thanks for all of the wonderful pictures of the club members and their dogs!!

## *Southern Tier of New York NAVHDA Chapter*

We were certified as Southern Tier of New York Chapter of the North American Versatile Hunting Dog Association (NAVHDA) on January 18, 1985. NAVHDA is a nonprofit corporation whose purpose is to foster, promote and improve the versatile hunting dog breeds in North America; to conserve game by using well trained, reliable dogs before and after the shot; and to aid in the prevention of cruelty to animals by discouraging nonselective and uncontrolled breeding which produces unwanted and uncared for dogs. Many members have contributed to the success of this chapter and we thank them for their efforts. At the Southern Tier Chapter we strive to help members become confident, capable trainers with the goal of developing excellent versatile hunting dogs. We also emphasize fun, camaraderie and value the lasting friendships made along the way.

## NAVHDA Sponsors
